

## Special SAA Member Offer

### Save up to 25% on selected Center Parcs short breaks

Would you like to paint whilst you unwind in a haven of natural beauty?

Here's your perfect opportunity to relax and rejuvenate at one of Center Parcs four beautiful woodland and water locations in Suffolk, Nottinghamshire, Wiltshire or Cumbria.

The SAA have teamed up with Center Parcs to offer a great deal for you, your family and friends with a discount of up to 25% off selected off-peak midweek and weekend breaks. There is plenty of opportunity to paint to your hearts content amidst 400 acres of unspoilt forest.

If you choose Sherwood Forest, you will be able to join resident artist and fellow SAA member David Evans (PA) for some brilliant art tuition in his workshops. David will take you through some of the most inspiring and breathtaking scenery within the natural forest environment and show you how to capture that magical moment in watercolour or pastels.

When you are not painting, join family and friends and make the most of the fantastic amenities available. Bask in the year-round subtropical temperatures of the swimming paradise, or try an exciting new activity. You can also just let yourself go and relax in the blissful Aqua Sauna spa. The choice is yours!

Each village has a wide range of restaurants, cafés and bistros to suit everyone's taste and match everyone's pocket. There's everything from contemporary Indian menus to creative French cuisine.

Then, at the end of an action-packed – or completely action-free – day, it's back to your Villa or Lodge with all the space and comfort you could need, coupled with those sensible family features that make it your practical 'home from home'.
